## Industry Q&A Session Reference Materials

The Federal Motor Carrier Safety Administration (FMCSA) is pleased to provide industry stakeholders with registration information and reference materials to support the question and answer (Q&A) sessions on the proposed Safety Measurement System (SMS) enhancements and preview. Register soon, using the link below, as virtual seats are limited.

FMCSA encourages stakeholders to review these reference materials and bring questions on the proposed changes and the preview before the Q&A sessions. Stakeholders can also submit questions before the Q&A sessions via the Compliance, Safety, Accountability (CSA) Feedback form, using the link at the bottom of this notice.
